THE 1951 REFLECTOR

EDITED AND PUBLISHED BY THE SENIOR CLASS OF DUNLAP HIGH SCHOOL

DEDICATION

Because of his kindness and understanding, because of his patience and interest in teaching even the slowest of us, we the seniors of 1950-51, are happy to dedicate "The Reflector" to our teacher and friend, Mr. Arnold Johnson.

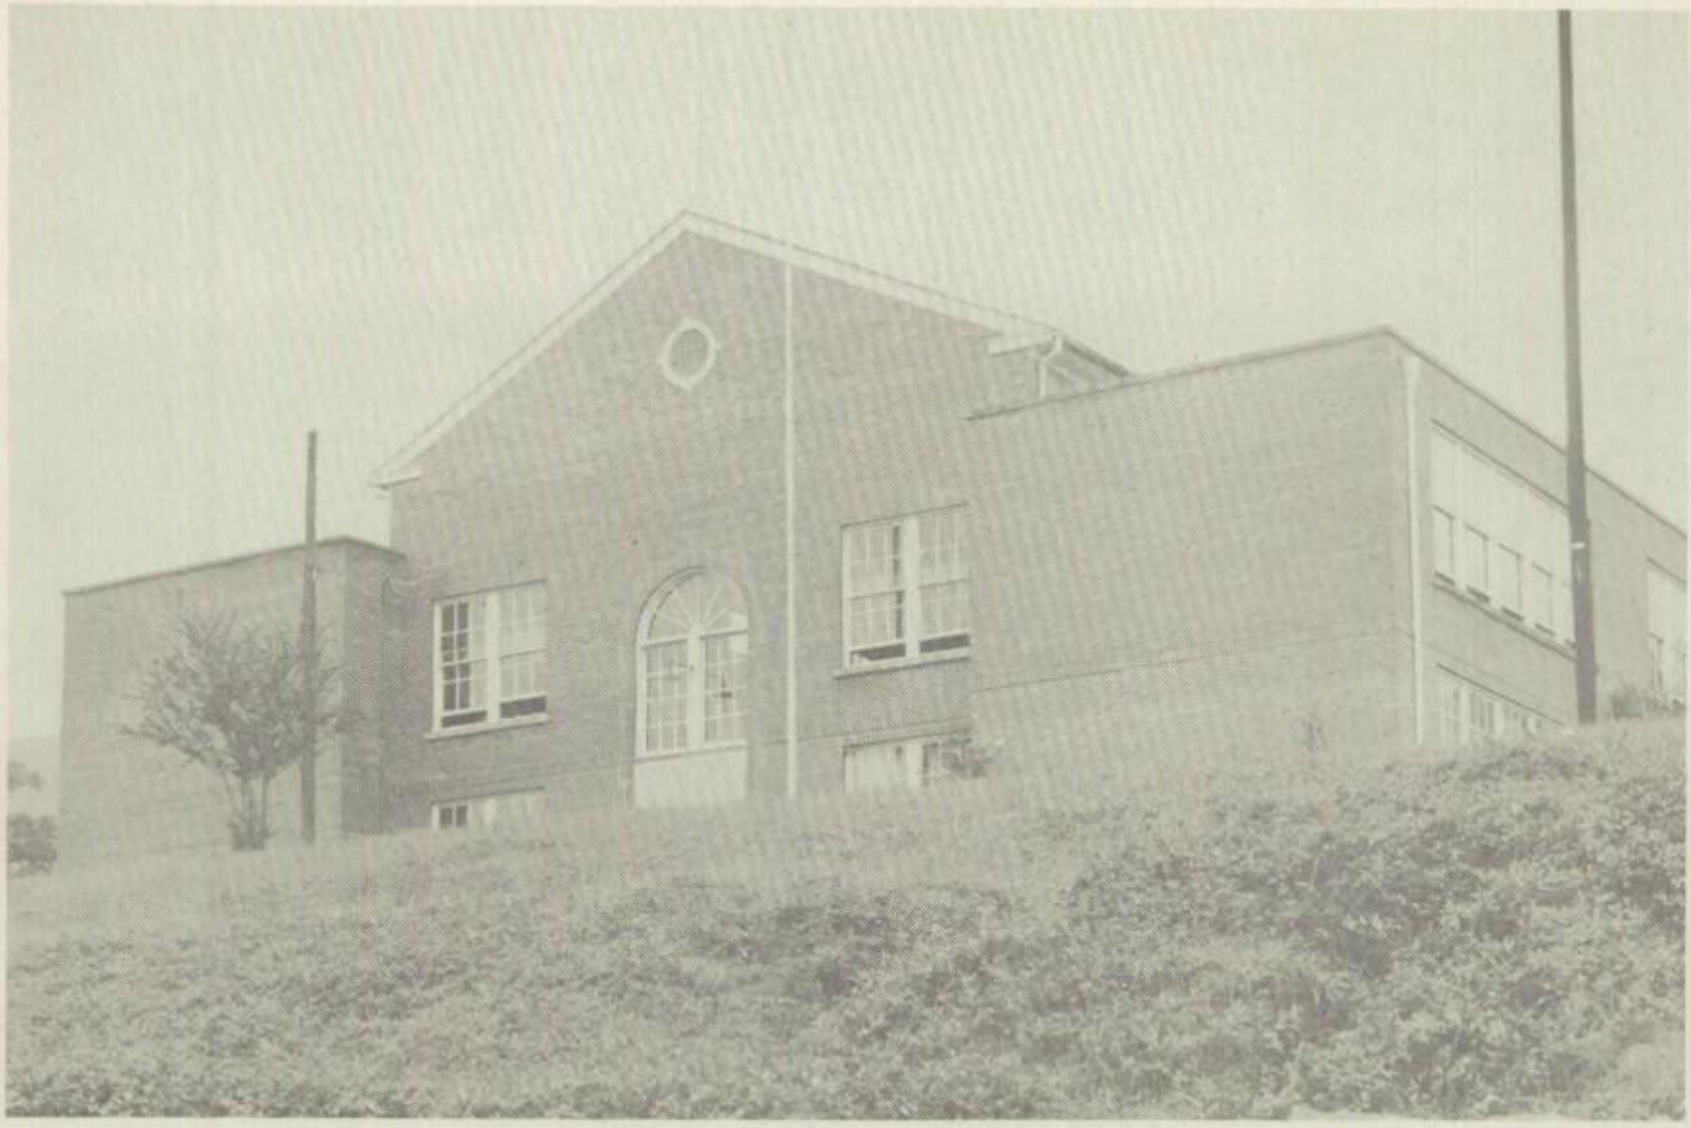
It was November 29, 1950,
Dear God in heaven above
You took from us a friend,
Who we so dearly loved.

This person I am speaking of
Is our beloved, Mrs. Mann.
Whom you have given a home,
In that dear promised land.

She was so kind and thoughtful
Also brave and true.
A friend to all at Dunlap
And most of all to you.

So in this book of memories
This page stands out so clear,
For someone who shall remain
In our hearts so dear.

Written By:
Emma Lou Southall



The School I will always remember.
The teachers, who have been so good to me
and the smiling faces of the students who
greeted me each morning. To the nice school
mates who followed
me from the 8th
through the Senior
year. who were
ready to help me
if I needed it.
Senior Poetry
Book

Oh, Dunlap High School
We thy children ever true,
'Mid our work and play
Sing our praise to you,
We strive together
To bring glory, day by day
To our dear old Dunlap High!

The teams that wear
Purple and gold upon the field,
With their spirits high,
They will never yield,
We'll back them ever
And now raise the battle cry,
And fight, fight for Dunlap High!

Class Prophecy

Ten years ago we, The Senior Class of Dunlap High School parted, each going down different roads of life.

Tonight I (Martha Lewis) am one of the tiredest yet happiest people in the whole world, because I have just returned home with my husband (Bob Wilkerson) after complete tour to all parts of interest in the states and the $50,000 jack-pot I won on "Stop the Music."

While on the train I decided to take it upon my self to check in all towns we were going to stop in and see if any of my old classmates were now residing in any of these places.

In Cumberland, Maryland, I found Reginia Hartless as a teacher at Catherine's Business College. From here we traveled west to Chicago, Illinois, where we found Byron Bratton as a bartender in one of the biggest hotels. Yellow Stone National Park was our next stop and here we found Bessie Wright walking James Jr. Then on to the sunshine state where we found Jesse Southall in Hollywood as swoon crooner of 1961.

One evening as we were watching the ships come and go in the harbor at the Golden Gate we chanced to see Dorothy Ray boarding a ship for a missionary trip to China. From here we turned southward to Houston, Texas where we found Thelma Boone happily married to a wealthy oil man. Next, we stopped in St. Louis, Missouri, and it was there we found Roberta Graham studying medicine. Then we went south, and at Key West, Florida we were informed that Martha Byer was working as secretary in Burmuda.

Once back in Virginia we found Jean Morris as a beautician in Covington, Virginia. At Radio Station, WKEY we had the pleasure of being entertained by "Bunny Mann and his Radio Play Boys". When we stopped at Dunlap High School we were greeted by Bobby Carter who had successfully completed a Charles-Atlas Course, and was employed as Physical Education Instructor and married to the charming Becky Holcomb in our absence.

Then we journeyed to West Virginia where we found Harley Cottrell coaching football at Davis and Elkins College in Elkins, West Virginia.

Now on to Washington D. C. where we were met by the former Miss Betty Lou Brisendine who was married to Gene Treynor and also employed in an office. We also, visited June Morris who was busy advising Congress on Political matters.

On our last lap of our journey north we found Mary Holcomb teaching History at the University of Alleghany. Back in New York we found Eldon Thompson who was fighting for the Championship of the World in Madison Square Garden.

At the airport we saw the former Ruthie O'Conner returning from her honeymoon in Hawaii. Julia Harmon was also employed in a Chemical laboratory. The Wilson Brothers (Sam and Aaron) were busy raising cranberries in Connecticut.

We ended our tour by stopping in Vermont where we were amazed to find the former Emma Lou Southall, her husband, and two children skiing.

LAST WILL AND TESTAMENT

We, the class of 1951, in the twenty-four individual and distinct parts being about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory, and almost superhuman understanding, do make and publish this, our last will and testament, hereby revoking and making void, all former wills or promises by us at any time heretofore made, mayhap, carelessly spoken, one to the other, as the thoughtless wish of an idle hour.

As to such estate as it has pleased the Fates and our own strong hands and brains to win for us, we do dispose of the same as follows:

Item:
First we will our new seats to the Junior Class in hope that they may fill them as promptly and faithfully in the future as we have in the past.

Item:
The following may seem but trifling bequests, but we hope they may be accepted, not as worthless things lavishly thrown away because we can no longer keep them, but as valuable assets to those who may receive them and a continual reminder of the generosity of heart displayed in our face and full bestowal:

1st. Thelma Boone wills her typing skill to Mildred Perkins.
2nd. Byron Bratton wills his quiet ways to Ernest Harrison.
3rd. Betty Lou Brisendine wills her brown eyes to Ida Sartain.
4th. Martha Byer wills her waist line to Gatrel Kirby.
5th. Bobby Carter wills his ability tc get along with Mrs. Thompson to Don Critzer.
6th. Edward Cottrell wills his atheletic ability to Grover Marcum.
7th. Roberta Graham wills her class ring to Dorothy Moore.
8th. Julia Harmon wills her driving class to Barbara Griffith.
9th. Reginia Hartless wills her sound mind to the Freshman class who will need it in the next three years.
10th. Martha Lewis wills her ability to play basketball to Betty Wilkerson.
11th. Mary Holcomb wills her legs to June Martin.
12th. Bunny Mann wills his guitar talent to Bobby Drummond.
13th. Jean Morris wills her height to Alice Boone.
14th. June Morris wills her good grades in English to Darlene Howard.
15th. Ruthie O'Conner wills her blue eyes to Myrtle McAllister.
16th. Dorothy Ray wills her office seat to Skippy Howard.
17th. Bobby Rogers wills his red hair to Mr. Boone.
18th. Dennis Spellman wills his ability to swing to Betty Snyder and Jo Ann Carter.
19th. Emma Southall wills her singing ability to John Jenkins.
20th. Jesse Southall wills his goatee to Aaron Wilson.
21st. Bessie Wright wills her short hair to Shirley Carper.
22nd. Eldon Thompson wills his troubles to any goat that will take them.
23rd. Aaron Wilson wills his ability to get a girlfriend to Ray Armentrout.
24th. Sam Wilson wills his ability to do English correctly to Herndon Crosier.

And we do hereby constiture and appoint the said principal sole executor of this our last will and testament.

In witness whereof, We, the class of 1951, the testators, have this our will, written on one sheet of parchement, set our hands and seal this third day of June Anno Domini, one Thousand Nine Hundred and Fifty-one.

Dear Dorothy,

Ten years from now, look over these pages and remember our life at Dunlap together. We have shared our secret dreams, hopes, ambitions, tears, jays together. I must say that it has been a pleasant experience. Our quarrels over the play, the trip will seem unimportant. Dorothy I sincerly hope you get to China. Honest I do. I hope we will always be together.

One of The Gang

June M.

Dear Hattie,
I've enjoyed all these happy yrs. with a wonderful bunch of girls. Remember those days in our Junior year, & most all our Freshman year. Remember the Juans, Jig Ita and our laughing "old Gang". The Happy days with the old and Allie, All of our remembering the crazy things we did & said. Remember all the things you & I & Bob, Jan, Bessie, you, & Arnold Bol. did.
